6:30 PM**

Present from Skokie Park District:

Khemarey Khoeun	Vice President, Board of Commissioners
Michael Alter	Commissioner
John Ohrlund	Executive Director
Corrie Guynn	Superintendent of Parks
Michelle Tuft	Superintendent of Recreation & Facilities
Stephen Ames	Landscape Supervisor
Jeff Hacker	Operations Supervisor
John Gacki	Parks Supervisor
Jim Hallm	Horticulturalist
Dima Kirland	Park Services Office Manager

Vice President Khoeun called the meeting to order 6:45 pm.

Superintendent of Park Corrie Guynn presented the design for the Chippewa Park Playground. The design that was chosen is by Burke. Burke is giving the Park District a \$25,000 incentive that helped in getting additional features without going over the budget. Other features that will be added are benches, picnic table, water fountain and trash cans. The surface will be Engineered Wood Fiber (EWF). The staff will start the demo at the end of August and installation should be completed by the end of October.

Questions were answered by Mr. Guynn and the public is very pleased they will have a new playground.

No public showed up to review the Mulford playground designs.
