Chris Pytell, PGA Class A Professional

Skokie Park District Director of Instruction

Chris Pytell is in his eighteenth year as the PGA Director of Golf Instruction at Skokie Sports Park. Since 1994, he has fueled his passion for teaching by conducting over 20,000 individual and group lessons.

Chris believes that by maintaining his competitive edge, he will help his students achieve their full potential. A Chicago native, Chris won a number of junior golf tournaments and at 17, competed against Tiger Woods in a national junior tournament. Since graduating from Southern Illinois University on a golf scholarship, Chris continues to play in local IPGA tournaments annually; his best finish was third at a Flossmoor Country Club tournament. Additionally, he competed on the NGA Pro Tour in Florida. His personal best score was a 58 on a par 66.

Chris has helped many junior golfers mature into competitive collegiate golfers. He enjoys instructing men, women, and junior golfers of all levels. Because he believes that the learning process accelerates when golf is taught at a simple level, his lessons concentrate on the fundamentals of the game.

“All golfers should take lessons from a PGA instructor in order to understand the fundamentals and how they are needed to create a more consistent golf swing,” said Chris. “Everyone can improve with a little patience — and by practicing the right principles.”

SKOKIE'S TOP 50 GOLF RANGE ENTERS A NEW AGE

Debuting a new tee-up system & distance and ball speed indicators!

Skokie Sports Park's golf range is hot off of being named a top 50 range in America for the eighteenth time by *Golf Range Magazine*. To make the venue even better in 2017, staff are now upgrading its famed year-round, two-tier, 40-station structure with a brand new automatic tee-up system, featuring North Star kiosks—and as usual, no dreaded bucket of balls.

Now, simply bring your range or membership card to each station to activate your practice session, and enjoy the new station kiosks, which come with:

- a color touchscreen allowing customers to move the tee up and down,
- yardage map displays,
- the customer's name,
- the remaining card value,
- improved tee heights allowing better use of deep face drivers, and
- smoother and more trouble-free mechanical tee operation.

Each station will be also be fitted with a new Track Tee bay divider that will enhance each golfer's practice experience as he or she will receive information important for analyzing their game. The divider will feature Doppler radar equipment with an easy-to-read screen, providing customers with distance and ball speed after each shot.

The golf range is being upgraded as this publication goes to print in January, so call us first regarding our re-opening date, coming soon! □

Skokie Sports Park also features two top-notch adventure (mini) golf courses and several modern batting cages. Sports Park is located at 3459 Oakton St., near the corner of Oakton Street and McCormick Blvd. Visit www.SkokieParks.org, or call at (847) 674-1500, ext. 3100 for hours, fees or events. To schedule a golf lesson, email Skokie Park District PGA Professional Chris Pytell at pytell@sbcglobal.net.

FootGolf AT WEBER PARK GOLF COURSE Daily • noon until dusk

Now families can enjoy a new activity together at the Weber Park Golf Course. Try the newest golf sport – FootGolf. Instead of using golf clubs, you kick a soccer ball for a faster paced game. Available after 12 p.m. 7 days a week. The game is played much like a traditional game of golf with players kicking a soccer ball from the tee to the hole; however the soccer ball is kicked into a 21-inch hole. Players may bring their own #5 soccer ball or rent one from Weber Park Golf Course. Casual, tennis or turf shoes are preferred. Rubber- or steel- cleat shoes will not be allowed in order to protect the golf course. All juniors 12 and under must be accompanied by an adult.

FootGolf Fees	Resident *	Non-Resident
