## Special Needs (Americans with Disabilities Act) and Maine-Niles Special Recreation Association (M-NASR)

The Skokie Park District welcomes the participation of all individuals in our programs, including those with disabilities. We are fully committed to complying with the ADA and to providing reasonable accommodations to facilitate participation in our programs.

Skokie Park District works with Maine-Niles Special Recreation Association (M-NASR) to provide inclusion support on a case-by-case scenario for participants who register and meet the Behavior Guidelines.

Please assist us in providing a positive experience for your child with special needs by notifying the camp supervisor of any accommodation requests at the time of enrollment. Your confidentiality will be respected. The sooner we know about your specific needs, the more time we have to make reasonable accommodations to improve your child's recreational experience and to ensure a smooth integration of your child into our camp program.

Individuals who are hearing impaired and want further information regarding M-NASR programs should call (847) 966-5522.
